Yes

per booking

**0,00 €**

**Price per week / Season: 2026.** *Is an estimate of 7.000 € paid with the balance for covering running costs during the charter: ports and marina fees (the check-in and check-out ports are also considered here), tourist taxes, motorized water sports, national park entrances, custom fees, and charter licenses if chartered outside of Croatia, drinks which are not included in beverage packages, and anything else that guests might need while on charter during the week. A strict set of accounts is held by the captain throughout the charter and any funds not spent are refunded to the Charterer in full. If A.P.A. does not cover complete costs, the customer will pay the exceeding amount on board in cash.*
